

General Notice to Destroy Weeds

You are required to destroy noxious weeds on your property

Notice is hereby given this 16th day of April 2019, pursuant to the Idaho Noxious Weed law Section 22-2401, Idaho Code, to every person who owns land in Minidoka County. Noxious weeds standing, being, or growing on such land shall be controlled or eradicated by cutting, tillage, cropping, pasturing, chemical treatment, or other effective methods, thereof, approved by the County Weed Superintendent as often as may be required to prevent weeds from blooming and maturing to seed or spreading by root, root stalks, or other means.

Upon failure to observe this notice, County Weed Control the Superintendent is required to proceed pursuant to the law and have the weeds destroyed by such methods as he finds necessary. The property owner incurs the expenses or it shall constitute a lien and be entered as a tax against the land and be collected as other real estate taxes are collected or by other means as provided by law. The following weeds are hereby officially designated and published as being noxious.
